

PERSONAL STATEMENT

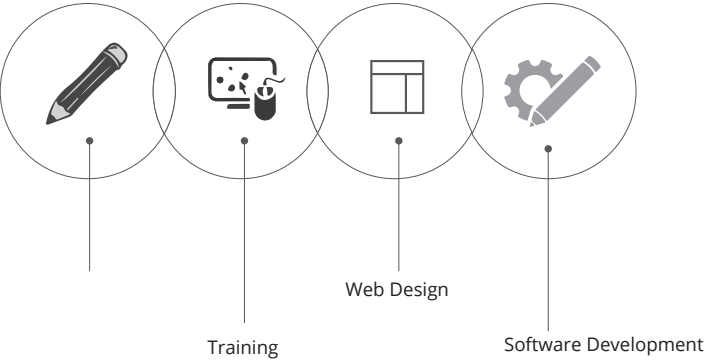

I was born on Friday, 12th of March, 1993. I am also an origin of Ogun State.

I'm a Full Stack Web Developer & Freelance Developer. I love everything that has to do with Web design & development, Graphic design, Training, Content writing and a true feeling for typography.

Most recently, my responsibilities as a Full Stack Web Developer at Pinfoot Inc has made me known more languages, like AngularJs, Worked on Codeigniter, Webtask.io and much more. I love working with people, especially if they have the same passion I have for what they do. I am a conscientious person who works hard. I'm flexible, quick to pick up new skills and eager to learn from others. I also have lots of ideas and enthusiasm.

Why don't we work together? Go futher down to see why I am the man you need to hire!
